Dear Connie,

To a real sweet and cute girl. I'm glad I got to almost really, really know you this year. In the eighth grade I glad th to know you. But, certain things happened between us. I couldnt blame you for being mad at me. In the ninth grade, we hardly spoke. That made me mad, but I could see that, what happened the year before that you were still mad. We did have some fun though in Mr. Jackson's math class. I hope that next year we can have some classes together and get

To all Vikings:

As editor of the Saga, I hope that our yearbook is one which will help each student remember the happiest days of his life. We have tried to capture a sense of that which is typical and natural.

I would like to thank the entire staff for the great effort they put forth. Thanks are also in order to Mrs. Mary Lu Pinson, our sponsor, and Mr. David Barter, our photographer. I hope that Miss Beverly McKibban will have as much co-operation from her staff.

Best wishes,

Sandy Landes
